Winter Squash Competition 2025

For a second year we are planning a Winter Squash growing competition.

This will be judged on Friday 24th October 2025, from 2.00pm with the usual cream tea at the

W I Hall Crookham Village.

Any variety of winter squash will be welcome and it will be interesting to see what members decide to grow.

Please could you let Brian Leversha know if you plan to take part.
